

Zoning Board Minutes
August 25, 2022

The Maysville Zoning Board met on Thursday, August 25, 2022 at 7:00 pm at Maysville City Hall.

Ronnie Stahl called the meeting to order with the following zoning members present: Jim Crawford, Josh Thornton, and Judy Hardin.

The meeting was called to discuss to make the fencing ordinance better defined on materials to construct a fence.

The zoning board would like to make a recommendation to the Board of Alderman to change section 405.270 B #4 to allow chain link fences – but they must have chain link post with a top railing.

City Clerk will add this to the Board of Alderman next agenda to consideration.

With no further business, the meeting was adjourned at 7:40 pm.
