City Clerk reported the dog pound was inspected by USDA and we passed. They were very happy with our new holding facilities.

The Board reviewed the new solid waste contract and recycling contract from R & W Containers. This contract is a 6 year contract with 2 bulky item pick up at the curb each week if called into their office prior to trash day by the customer. The City will continue to have a fall & spring clean up but it will not be curb side – but a container will be dropped off at the water plant on designated day and City crew will monitor it. This contract is not to exceed eight 30 - gallon trash bags per week. The new rate of \$22 will go into effect January 1, 2023. Alderman

There was discussion about parking on the corner of Highway 6 and Washington Street. Mo-Dot has agreed to place signs and the city can paint the curbs red for no parking.
